If you have a particular problem with litter please ring the Parish office on 01733 229669 or email parishoffice@hamptonparish.co.uk and let us know what the problem is and the area affected. We can then divert the lengthmen from their normal routes to take care of the problem. This however may extend the route, and in busy periods such as school holidays the routes may take up to three weeks to complete.

The lengthmen are also available to remove dead birds, animals, sharps and broken glass.

Open areas are routinely maintained by O&H Hampton, this includes bins in open areas and play areas. Any concerns regarding O&H areas please contact 01733 293220.
